

PEERLESS ONE HAS BOLTED HEAD OF THE DEMOCRATIC TICKET

William J. Bryan Announces That He Will Not Support Nebraska's Demo- cratic Candidate for Governor.

By Associated Press.

LINCOLN, Sept. 21.—In a statement which he declares the crusade which he feels impelled to wage against the liquor interests of the state and nation, overshadows his personal and political friendship of twenty years, William J. Bryan this evening announced that he had bolted the head of the democratic state ticket and would not support James Dahlman for governor. Bryan says he regrets that he is compelled to take the stand he does, which is his first departure from political regularity, but he says he feels it his duty to do so because of the position taken by the democratic nominee on the liquor question. The statement, which is apologetic in tone, does not indicate that Bryan will support a candidate of any other party, but announces he is a

pronounced advocate of county option and the early saloon closing law, both of which he insists are menaced by Dahlman's candidacy.

OMAHA, Sept. 21.—Mayor Dahlman, the democratic candidate for governor, tonight hurled defiance at Bryan, who gave out a statement that he would not support the mayor in the gubernatorial campaign. The mayor closes with the declaration: "They will find out they have got hold of the wrong end of a red hot poker, and will get the biggest trimming that has been given in this or any other state in many years." The mayor declares his position on the liquor question is purely democratic and follows the spirit of democratic principles, which stand at all times for personal liberty and self government.

REPUBLICAN STATE CANDIDATES ON CAMPAIGN

This morning the greater part of the republican state ticket left in automobiles for a flying visit to nearby points. Fallon, Hazen, Wadsworth, Olinghouse and a few other places in a short radius will be visited. The party will return to Reno next Sunday, in time to go to Carson to participate in the state convention which will be held in the capital Tuesday.

Among those who occupied the machines this morning were Senator Nixon, Gib Douglas, "Billie" Easton, W. H. McMillan, Colonel William W. Booth, Con Ahern, E. E. Roberts.

Senator Oddie is working his way and is holding wildly enthusiastic meetings all along the line. He will be on hand in Carson next Tuesday, and sends word that he is for the ticket from top to bottom. — Reno Gazette.

PROGRESSIVES ARE DENIED SEAT IN CONVENTION

By Associated Press.

COLORADO SPRINGS, Sept. 21.—The republican state convention convened today and found its committee on resolutions hopelessly split over state issues and then adjourned until tomorrow morning because the selection of a candidate for governor hinges upon the sort of a platform which will be adopted. The claim for seats made by 184 progressive delegates of Denver county who failed to attend the regular party caucus and named its own delegation at a meeting in a church, was disallowed. The resolution committee decided to mould the planks of the platform relating to the national administration so as to stamp Taft as a believer of Roosevelt policies, and as having conducted his administration along the lines of Roosevelt progressive-ness. The proposed endorsement of the initiative and referendum caused all the strife, but it was rejected by the majority.

ROOSEVELT AND SHERMAN WILL HEAD RIVAL DELEGATIONS

Both Will Be Candidates for Temporary Chairman of the State Convention at Saratoga.

By Associated Press.

Erie county is expected to send a solid delegation of sixty-one to support the colonel. Sherman will attend the convention at the head of the delegation from the first Oneida district, the Sherman forces having won the first and third districts, although beaten in his own election district, ward and assembly district.

NEW YORK, Sept. 21.—Vice President Sherman, candidate of the old guard and temporary chairman of the republican state convention,

was defeated in his own assembly district, the second Oneida county, and in his own ward in the city of Utica at the primaries today. According to reports received at headquarters the old guard carried the first and third assembly districts of Oneida county, and will have the support of fourteen democrats, while the progressives have the control of nine. As a result of the primaries today, Timothy Woodruff, chairman of the republican state committee, and William Barnes, Jr., tonight predict Sherman's election as temporary chairman of the state convention by a substantial majority. Griscom tonight declared that Barnes' claim that Sherman will have the majority at the convention is absurd and expressed confidence that Roosevelt would be named.

PHONOGRAPH TEACHES THESE PUPILS TO SING

A new method of teaching pupils to sing is used in the Public school, Brooklyn. Miss Marie L. Bayer, the principal, hit on the idea of using a phonograph. A good phonograph, with about a dozen standard records, was bought with the income derived from the school paper, and installed in the class that made the largest sale of papers.

Since the departmental systems is used, this does not deprive the rest of the school from the use of the phonograph. The song under consideration is written on the blackboard, the music studied, and then the record is played, giving the proper tone and expression. It is then repeated, the pupils softly singing, after which the phonograph is stopped and the song sung from the music on the board. Among the

POPULAR VOTE TO DECIDE CONTEST SAYS NIXON

REITERATES STATEMENT MADE LAST MARCH AND CON- CURRED IN BY OPPONENT.

Senator George S. Nixon has issued the following statement:

To the Voters of the State of Nevada:

I thoroughly agree with Mr. Pittman that there should be no doubt after the election on the 8th of November, as to who will be the next United States senator from this state, and his ideas are entirely in accord with my views expressed in a letter given to the press under date of March 2, 1910, and to further confirm the same I will use Mr. Pittman's language as set forth in his statement made several days ago, submitting his name as the democratic candidate for the United States senate, for mine, as the republican candidate for that office.

"And for the purpose of setting at rest any doubts that may exist, as to my conduct in any event, I pledge myself, on my word of honor, as follows:

"If at the ensuing general election, either Honorable Key Pittman, democratic nominee for United States senator, or Honorable Judd Harris, socialistic candidate for United States senator, shall receive the greatest number of votes for such office, then I will use every honorable means to induce every member of the senate and assembly to vote for such candidate; and I will unequivocally and finally refuse to permit my name to be submitted to such legislature to be voted upon for such office; and in the event such a vote is had against my will under the condition referred to above, I will not recognize such act, and if so elected will not accept such office or qualify.

records are: "My Old Kentucky Home," "Dixie," "Softly Now the Light of Day," "The Glow Worm," and a few operatic overtures.

The same school has another high-class instrument installed in the auditorium. At each morning assembly and at entertainments and other meetings this is played, only the best music being used. The children immensely enjoy these short hours with the great musicians, which the teachers believe wean them from liking trashy ragtime music.
